Our Mission

Francis Reh Public School Academy educates and empowers all students to excel academically and positively impact our community.

Our Vision

Francis Reh Academy is a community of focused, engaged, and responsible achievers.

January 30, 2017

Dear Francis Reh Academy parents and community:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2015-16 educational progress for Francis Reh Academy.

The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact School Leader Kate Scheid Weber for assistance.

The AER is available for you to review electronically by visiting: www.francisreh.com; you may also review a copy in the school's office.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school was identified as a priority school in 2015.

Since the release of the Spring 2015 M-STEP results, Francis Reh has worked diligently to improve outcomes. Quarterly pacing guides, curriculum maps and corresponding assessments are providing regular, actionable feedback. The Instructional Learning Cycle (ILC) is actively facilitated by classroom/content teachers and the ILC coach and that actionable data is put to quick use. As a school community, we are focusing extensively on the Depth of Knowledge (DOK) levels required in daily instruction and regular assessment to ensure that our students can apply skills, concepts and standards at multiple levels. The MTSS model is used for academic and socio-emotional supports, with Title I teachers and behavior support staff meeting the needs of our most at-risk students. We are working to engage our families through a number of venues, because we know that the more that the primary stakeholders are involved, the better the outcomes.

State law requires that we also report additional school-site based information for the two most recent years:

Process for assigning pupils to the school:

Francis Reh Academy is a free, public school and adheres to all requirements outlined by its charter authorizer and federal and state law regarding enrollments. The academy does not charge tuition nor discriminate in admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a handicapped person, religion, creed, race, sex, color or national origin.

Current students are given the opportunity to re-enroll in late winter, with preference given to them and their siblings. In the spring, the school holds an advertised open enrollment period, during which any Michigan resident may apply. In the event that any grade is oversubscribed, a public lottery is held to determine enrollment and a waiting list.

The academy identifies, evaluates and services all children in the school who may have disabilities. For more information regarding assistance for students with disabilities or if you suspect your child may have a disability, please contact the school leader.

The status of the 3-5 year school improvement plan:

2015-16: The school improvement plan is focused around standards based instruction via the ILC process and ensuring that all students have access to a high-quality and effective Tier I instructional program. Slight adjustments were made in Fall 2016 to reflect the expectations of the SRO. During Spring 2017, stakeholders will review progress and make necessary adjustment for the upcoming school year.

2014-15: The school improvement plan is a living, breathing document that guides academy staff in developing strategies to improve instruction, learning and performance on standardized tests.

The School Improvement Plan has been updated annually through a collaborative process with school staff, students, parents and board members. Each year student data and overall systems are reviewed and programmatic decisions are made. During this process, specific attention is paid to subgroups, including our lowest achieving students. Work completed during the SISD's RtI Leadership Academy has served as a primary guidance of school-wide efforts.

Status of the curriculum

Francis Reh Academy's core curriculum will be provided to any interested parties upon request at the school office. CCSS are followed for ELA and math. The science and social studies curriculum is aligned to GLCEs and science is also aligned to the Next Gen Science Standards. There are no variances from the State of Michigan's expectations. New curriculum resources were implemented during the 2014-2015 school year in English Language Arts and math. Pacing Guides Curriculum Maps and corresponding assessments allow the curriculum to best meet the needs of our students.

Parent-Teacher Conferences

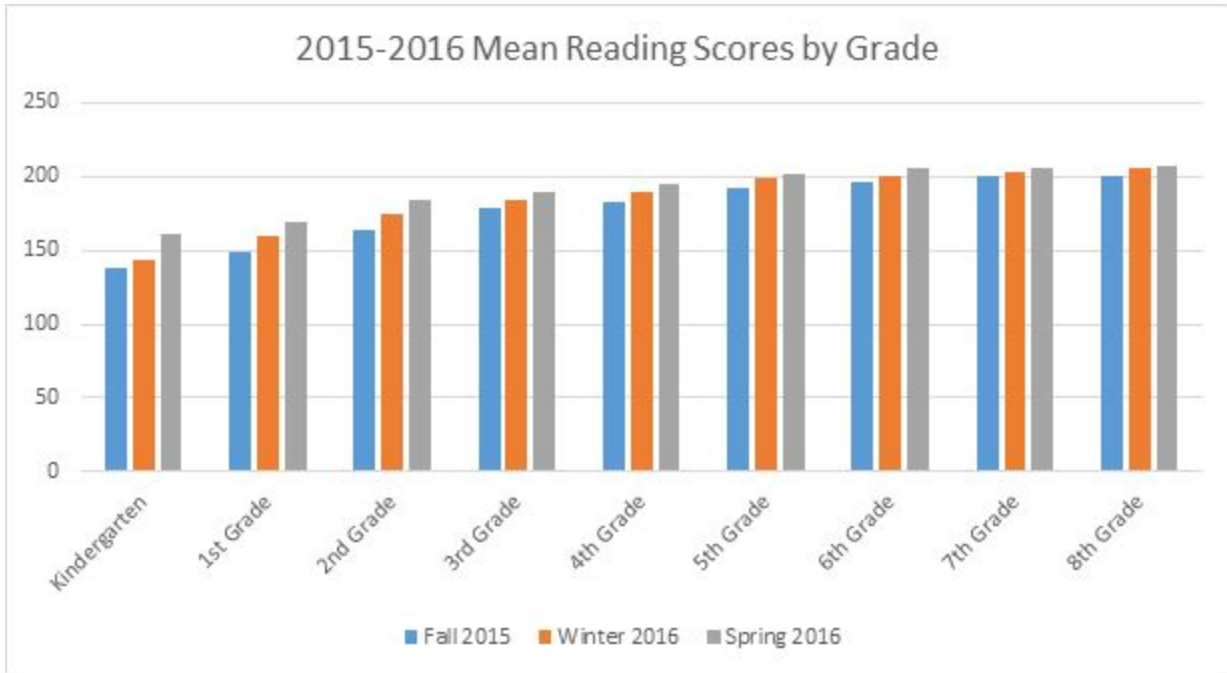

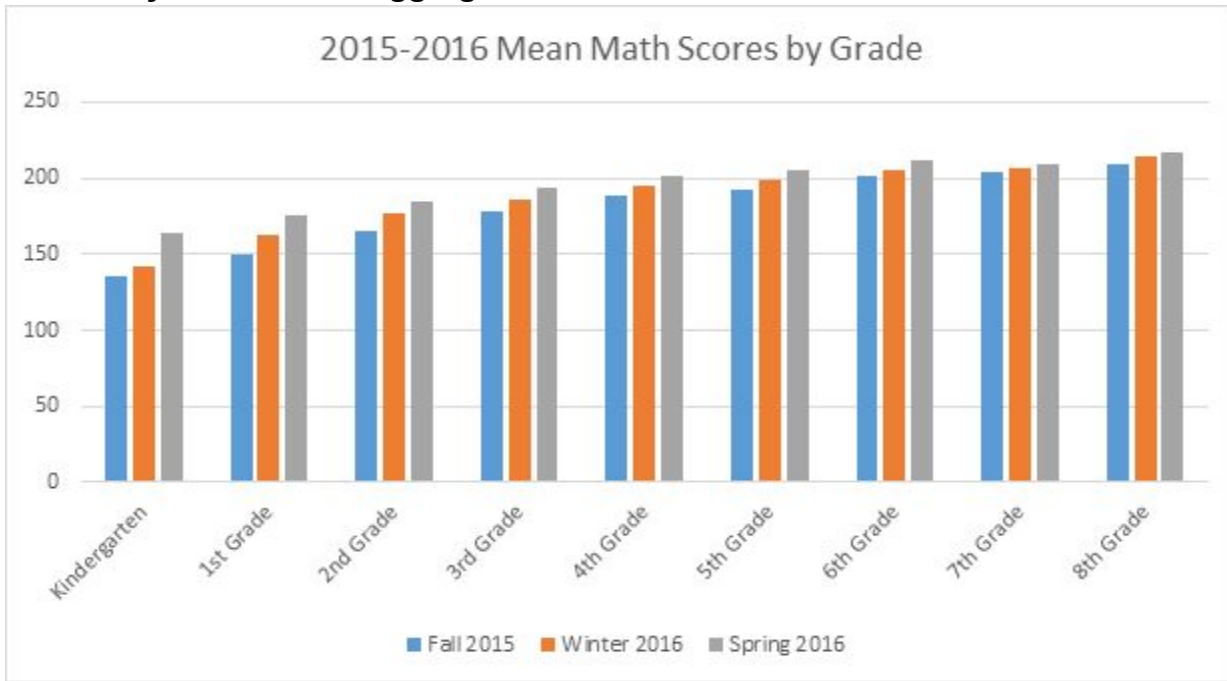

Percent of students represented by parents/guardians at parent-teacher conferences.

2015-16: 372 students | 79%

2014-15: 397 students | 85%

Aggregate Student Achievement - NWEA MAP

2015-16 by Grade Level Aggregate

2014-15 by Grade Level Aggregate

I would like to personally congratulate the staff, students and families of Francis Reh Academy on a successful school year. Thank you for choosing Francis Reh Academy for your child's education. We look forward to continuing to provide a quality education to you and your family.

Sincerely,

Ms. Kate Scheid Weber
School Leader
