Mission Statement:

Francis Reh Academy educates and empowers all students to excel academically and positively impact our community.

Vision Statement:

Francis Reh Academy is a community of focused, engaged and responsible achievers.

Our Core Values:

All students deserve a quality education.

All students can achieve at high levels.

Our inclusive learning environment meets the needs of each and every student.

Our staff is committed and confident in their ability to educate our students.

Our protected instructional time, in cooperation with families, maximizes student achievement.

October 9, 2014

Dear Francis Reh Academy Families,

Instruction time at Francis Reh Academy is from 8:05 a.m. to 3:50 p.m. In order to limit classroom interruptions and provide the best learning environment possible for your children, the school office will need written notification from the parent or guardian if you plan on picking up your child up from school early. Families, please share this information with any adult that has permission to pick-up your children from school.

The office is unable to call students out of their classroom after 3:30 pm.

This procedure has been in place since last year and will be enforced daily. We appreciate your ongoing support as we work to provide the most focused learning environment possible for your children.

If you have any questions please do not hesitate to contact me at (989)753-2349.

Many thanks,

Kate Scheid Weber
School Leader
