COMMENTS (please explain no answers)

Great JOB!!

3 - Doors left open

OVERALL RATING EXCELLENT GOOD FAIR POOR

The objective of fire drills is to insure the safety of building occupants wherever fire may occur. Drills establish a routine to follow during emergencies, for evaluating the effectiveness of personnel before an emergency occurs, and they highlight any shortcomings in performance or emergency plans. Michigan Fire Prevention Code 29.19 authorizes a fire official in uniform to conduct fire drills, as the Fire Chief considers advisable, without prior notification.
